Type: Type I – net type  
Type I single – net type, one end flange  
Type II – sling type

### Assessed production site

Shandong Nanhai Airbag Engineering Co., Ltd.,  
Donghao Industry Park, Mingshui Economic Development Zone, Zhangqiu, Shandong, China

### Application/Limitation

This Type Approval certificate is not valid for designs, components, equipment, systems or products which are subject to classification by DNV.

Any significant changes in design and/or quality of the material will render the approval invalid.

### Type Approval documentation

#### Tests carried out

Test and inspection for commercial fenders acc. ISO 17357-1.

#### Marking of product

Product shall be marked with manufacturer's name and type designation.

The marking is to be carried out in such a way that it is visible, legible and indelible. The marking of product is to enable traceability to the DNV Type Approval Certificate.

#### Periodical assessment

The scope of the Periodical Assessment is to verify that the conditions stipulated for the Type Approval are complied with and that no alterations are made to the product design or choice of materials.

Periodical assessments (for Certificate Retention / Certificate Renewal) shall be performed according to DNV-CP-0338.

This certificate is only valid if required periodical assessments are carried out with satisfactory results. To check the validity of this certificate, please look it up in <https://approvalfinder.dnv.com>.
